

Royal Botanic Gardens

Kew

Lights, camera, action!

A wide range of locations and buildings
available for filming and photography

Glasshouses • Temples • Follies • Conservatories

Themed & Stylised Planting • Woodlands, Forests & Lakes

Here at Kew we have a wide range of locations and buildings, allowing clients to create numerous backdrops and styles from around the world. Including Grecian style conservatories, Japanese Gardens, Tropical Rainforests and of course the picturesque English country garden!

Filming and photography can take place anytime during the year, day or night. With over 300 acres of land, we are sure to have something to suit everyone.

For further information or to arrange a recce with a member of the team, please contact us on commercialmedia@kew.org or **0208 332 5501**.
